

# Founders Gala

**Thursday May 16, 2019**

Las Casas Foundation is dedicated to the performing arts through education and scholarships and the restoration and preservation of historic theatres. In 2019, Las Casas will award its **one millionth** scholarship dollar to students who excel in the performing arts, making it the largest program of its kind in the country.

Your contribution funds performing arts education by providing workshops, master classes, professional theatre experiences, and financial aid to students.
